

### **Notification of Discharge of Untreated Wastewater**

General Statute 143-215.1C requires that the owner or operator of any wastewater collection system to issue a press release when an untreated wastewater discharge of 1,000 gallons or more reaches surface waters. In accordance with that regulation, the following news release has been prepared and issued to media in the affected county:

Moore County Public Works had a discharge of untreated wastewater on February 26, 2015 of an estimated 600 gallons at Manhole #13-1-156 located at 960 Burning Tree Road in Pinehurst, NC. The untreated wastewater entered a tributary to Pinehurst Lake.

The NCDENR was notified of the event on February 27, 2015 and is reviewing the matter. For more information contact Moore County Public Works at (910) 947-6315.
