

**Press Release**  
**Notification of Discharge of Untreated Wastewater**

**General Statute 143-2185.1C** requires that the owner or operator of any wastewater collection or treatment works to issue a press release when an untreated wastewater discharge of 1,000 gallons or more reaches surface waters. In accordance with that regulation, the following news release has been prepared and issued to media in the affected county: Moore

Moore County Public Works had a discharge of untreated wastewater on November 16, 2014 of an estimated 33,000 gallons at the intersection of Monticello Drive and Lake Hills Road off of Hwy. 5 in Pinehurst, NC. Approximately 17,000 gallons of untreated wastewater was discharged into an unknown tributary in Southern Pines.

The Division of Water Resources was notified of the event on November 17, 2014 and is reviewing the matter. For more information contact Moore County Public Works at 910-947-6315.
