August 30 Work Session

The commissioners had a very full day on August 30, addressing a number of issues on a work session agenda ranging from a Parks and Recreation project to a potential 2018 bond referendum to Woodlake. They were joined by the Board of Education and Sandhills Community College representatives for portions of the meeting, which concluded with a brief public officials question and answer session.

Our News

The Big 5-0

County Manager Wayne Vest celebrated his 50th birthday on August 11. Despite his best efforts to keep this milestone low-key, the temptation to have some fun with it was too great for many of his County comrades, but he took it all in stride. :-)

In addition to the teasing, he received gifts, special lunches, and was serenaded by all employees in the Historic Courthouse with a powerful rendition of "Gloom and Despair."

2017 Interns Recognized

County Government Internship Program participants Joanna Gulley and Abigail Gulley were recognized during the Board's August 15 regular meeting, and received certificates for completion. They shared their experiences in the Planning and Aging Departments and said they gained a great deal from the program, which is sponsored by Moore County Cooperative Extension 4-H in cooperation with Moore County Administration. The program focuses on exposing youth to county government and developing leadership, responsibility, volunteerism, and self-confidence.
